Coast Guard Will Build Permanent Station For Tahoe

Work Expected To Start At North Tahoe After First Of July

Work is expected to start shortly after July 1 on the first phase of a new United States Coast Guard station at North Lake Tahoe to cost $87,000. Plans call for a permanent station to house seven men between June 1 and October 1 and by two men the other months of the year.

Tentative plans call for the station to be located at the old Tahoe City fish hatchery.

Plans call for building a pier and doing work on a roadway this summer to start construction of the station.

The facility eventually will include winter shelter for a 30 foot boat and a 16 footer; garage and utility buildings; duplex living quarters for year around occupancy; six man barracks with office space, and a helicopter landing pad.

Equipment, in addition to the two boats, will include a truck and trailer rig and communications facilities.

Plans call for sending a detachment of men here June 15 or possibly sooner. These men will be stationed at Kings Beach.

Chief Boatswains Mate Robert Reedy, who has been in charge of the Monterey Life Boat Station, will be in charge of the men. Reedy now is familiarizing himself with the Tahoe area.

He and his men will provide search and rescue service, check craft to see whether equipment meets coast guard requirements, give instruction in boating safety and check service aids to navigation on the lake.

The need for the permanent station is pointed up by the fact coast guard statistics there are 3,500 boats in use on the lake. A regatta a week is held on the average, requiring patrol by the coast guard.

Sportsmen Name Officers On Friday

Nomination of officers will be the principal item on the agenda at the meeting of the Truckee Outdoor Sportsmen at Capitol Hall Friday evening, May 13 at 7:30.

A good turnout of members is urged by President Charles Osburn so that officers for the coming year will have assurance of unanimous support.

If possible, a program will be arranged for the evening, Osburn said.

MANY ATTEND MEET FOR WATER TALKS

Although a large number of people attended the meeting of the Truckee Public Utility District Tuesday night to discuss the water situation here, nothing of a definite nature was done.

McGuire & Sons of Nevada City made their report on the system with recommendations to be studied by the board.

A special meeting of the board to further discuss the water situation has been called by board chairman, Dr. Ben King for 8 p. m. Tuesday, May 17 at the district's office.

PRACTICE RESUMED BY HOCKEY PLAYERS

Practice has resumed for members of the Lake Tahoe Ice Hockey Association at Blyth Arena, following a shut down of the rink for a week when needed repairs were completed.

Practice will be each Monday and Thursday evenings, starting at 10 p. m. for young men of 15 years and up. Rolf Funk is president of the group and those wishing further information may call JUniper 3-3360.

JURY FINDS SUSPECT IN CAR THEFT GUILTY

Garry D. Bannister, 22, of Livermore, was convicted in the Nevada County Superior Court this week of unlawfully taking a motor vehicle. The jury was out two hours.

Bannister was accused of taking unlawfully a vehicle belonging to Niel Jamison of San Rafael which had been left parked in Truckee.

Robert Fugazi of Truckee was appointed attorney for the defendant and District Attorney Harold Berliner handled the prosecution.

BOLOGNA

Swift's Premium bologna at Z market is 49 cents for a 12 ounce package and not 49 cents for two ounces as indicated in today's ad. This was a typographical error and Jerry Quam, the Z butcher, wants his customers to know that bologna is a good buy this week.

Leg Break—

Roger Brown of Donner Lake reported that his wife had the misfortune to fall last week sustaining a break in her leg.

Youth Breaks Jail Here By Removing 2nd Floor Window

Raymond Lee Mellis, 19, Longview, Washington, serving a 30-day sentence for defrauding an innkeeper, escaped from the Truckee jail sometime Saturday morning, according to Chief Deputy Roy Waters of the sheriff's department.

Mellis had been placed in an upstairs cell where trustees and "sleepers" are housed.

During the night he forced the door open where the prisoners' property is kept and obtained his clothing. He then went to the top of the store room ceiling and removed a three by three-foot window and dropped approximately 15 feet to the ground below.

A check of the jail Saturday morning revealed the escape and an all-points bulletin was immediately issued.

Local Roads Given Funds In Budget

The budget of the road department, one of the larger items in the county's budget, received tentative approval at Friday's meeting of the board.

Of particular interest to the residents of this area was the fact that Supervisor H. G. Loehr received $10,000 for reconstruction of Truckee streets and $5,000 each for Meadow Park subdivision and Soda Springs road.

The budget calls for an expenditure of $710,000 which is slightly more than last year's figure.

Deputy Road Commissioner Rod McCormack said that receipts and anticipated balance would approximate $710,000 (objective and projective) leaving about $106,000 for primary and secondary construction. In this category Supervisorial Districts No. 1, Nevada City and No. 2, Grass Valley fared very well. In previous years, heavy construction money was allocated the Mooney Flat road in District 4 and the Brockway cutoff in District 5, while District 3 has a fine assortment of recreation and timber access roads.

FRIENDSHIP NIGHT IS PLANNED BY LODGE

Truckee Chapter No. 116, Order of the Eastern Star, will meet Tuesday night, May 17 at 8 p. m. with Margaret Craig, worthy matron, and Sam Faulkner, worthy patron, presiding.

The meeting will be "Friendship Night" with the officers entertaining guest officers to hold each station. Elmae Philippi and her committee will serve refreshments.

Hostess for the evening will be Evelyn Mandeville and the host will be C. E. Mandeville.

Saturday night, May 7, the officers participated in the official visit of the worthy grand matron and worthy grand patron, Mary E. Balden and James Millard to the 13th district at Grass Valley. A large crowd attended, including many grand officers and dignitaries.

SPRING THAW PARTY ATTRACTS BIG CROWD

One hundred guests and members of the Truckee Nursery School group held their third successful "Spring Thaw" party at Donner Lake Lodge. They expressed their appreciation to the many merchants and individuals who contributed to the success of the event.

Mrs. C. W. Scuitto was presented with an award during the evening.

BIBLE CHURCH FUN FEST AT LAKE SAT.

Next Saturday afternoon at 3 o'clock is the occasion in Kings Beach of an outdoor get-together and fellowship of friends and guests of the Truckee Bible Church. Hosts for the afternoon of fun and food are Dallas L. Hughes and chickens are to be barbecued compliments of Gil's Patio. Guests are planning to bring salads, cakes and hot rolls.

Son Is Born

Mr. and Mrs. Val Dittberner of Tahoe City became the parents of a son May 5 at Tahoe Forest Hospital. The newcomer tipped the scales at 7 pounds, 6 ounces and has been given the names of Dan Ray.

Three Cases Are Heard In Truckee Court Wednesday

King Held To Answer For Manslaughter After Preliminary

It was a busy day in the court of Judge F. W. Wilson yesterday. Three cases were prosecuted by District Attorney Harold Berliner.

Phillip Wespacher, 35, Truckee was sentenced to pay a fine of $425 or spend 80 days in jail for operating a motor vehicle with a suspended license. He chose the jail term.

Frank Wayne King, 32, Sacramento, was held to answer to the superior court on a manslaughter charge growing out of the death of a San Francisco woman in an automobile collision last fall .

Neal G. Jamison, 23, was bound over to the superior court and held under $2,500 bail for allegedly moving an auto into a hiding place where it was stripped of contents and accessories. Two juveniles were also said to be involved in the case.

Bay Area Resident Killed In Accident

Ernest Richard Wright, 54, Hayward, believed to be an employe of the Safeway Stores, was killed sometime Sunday night when his car plunged off the right side of Highway 40, two miles west of Cisco and he was pinned in the wrecked vehicle.

The tragedy was not discovered until late Monday morning when a truck driver spotted the wreckage from the cab of his truck and notified the California Highway Patrol.

Coroner Alvah Hooper was called to take charge of the body nad make the investigation.

It could not be immediately learned what caused the accident. Wright was driving west and apparently lost control and the car plunged down the embankment on the two-lane road.

Hooper said a driver's license indicated the victim was married but he had no other details. The body is being shipped to Hayward for funeral services.

ELKS COMPLETE PLAN FOR GOLF TOURNEY

The North Tahoe Sierra Elks Lodge has completed arrangements for its first annual Elks golf tournament to be held on September 18 at the Tahoe City golf course. John Finnegan, general chairman, announced that the tournament is open to all Elks with special invitations to the 12 other lodges of the north central district, Reno and Carson City.

Through the cooperation of Carl Bechdolt, Jr. it is planned to send the two top players of BPOE No. 2140 to the state convention golf tournament in Sacramento in October, with all expenses paid.

TAHOE MAN FINED IN COURT FOR ASSAULT

TAHOE CITY — Malcolm Courtney, a Tahoe City carpenter, was found guilty of assault and battery by a Tahoe Judicial District Court jury and paid a fine of $50.

He was accused of beating Ivan Wilson of Tahoe City last December 30 as the result of a dispute over the rental of a home from Wilson. The assault took place in the home of Judge Harry Charrison who was attempting to iron out the dispute.

Charrison was a witness in the trial last week. Judge Charles Crowe of Colfax, Placer County, presided.

HIGHWAY USERS TAX WILL BENEFIT COUNTY

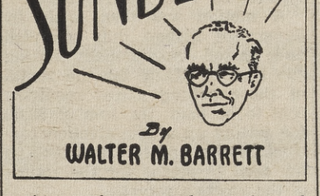

SACRAMENTO — Assemblyman Paul J. Lunardi announced today that Nevada County received $25,436.55 as its share of highway users taxes distributed in April by State Controller Alan Cranston's office.

Statewide apportionments for the month totaled $25,366,192, the assemblyman said.

From Mexico—

Fred Pedley and Reg Smart who have been sojourning for the past several weeks in Mexico are expected to return this week.

SUNBEAMS

By WALTER M. BARRETT

At any hour—at dawn, through the day, at dusk, in the middle of the night—the people in the Tahoe Forest Hospital are ready to answer any emergency. And today—during National Hospital Week — we'd like to pay special tribute to them. When you or your loved ones enter the hospital, the help of many hands and many skills is mobilized at once. Whether you're going to have a baby, an emergency appendectomy, a broken leg set, or a swallowed safety pin removed, the services of the entire hospital family are there to aid you. And the Tahoe Forest Hospital family is made up of many people whom the patient never sees. We're all aware of the work of our physicians who direct the care, of the nursing personnel who perform so many services, and of others whom we meet directly in the hospital. But there are many skilled teams behind the scenes, some concerned with tests and treatments, some planning and preparing the regular and special diets which are brought to the bedside three times a day, some busy with the tasks of keeping building and equipment in condition, providing fresh and sterile linens, and keeping everything "hospital-clean," and some specializing in the business management of the hospital, seeing to it that all complex services are ready when called upon, and that the hospital dollars are wisely spent for more effective care for every kind of patient. From the governing board of the Tahoe Forest Hospital, which sets policy and program for our hospital, to the young worker just employed who is learning a new hospital skill on the job, hospital care for each patient is the product of the thought and devoted effort of many people with many kinds of skills.

ROTARY AT LAKE TO AID LITTLE LEAGUE

KINGS BEACH — Bill Bechdolt and Ralph Bly visited the regular meeting of the Rotary Club of North Lake Tahoe at 7:30 p. m., May 2, at Crystal Bay Club. They attended this meeting in order to encourage a sponsorship of Little League Baseball in the North Lake area.

This would complete a league composed of Tahoe City, Donner Lake and Truckee.

Tom Sutton and Fred Baker are to head a committee to get the teams started. The biggest problem here is to be adult personnel. Anyone from this area with playing or coaching experience is urged to contact either of these men. They have asked that people help them to get this thing going, even though they may find it impossible to carry through during the season.

BROWNIE SCOUTS TO HAVE SUPPER SOON

Intermediate Brownie Girl Scouts, with their families will attend a potluck supper to be held May 19 at 6:30 p. m. in the high school cafeteria.

A program of dramatics and music will be presented by the girls following supper. Mesdames Dan Horman, Raymond Harris, W. D. Randall, James Walker are in charge of the evenings plans.

CHECK SUSPECT HELD BY FBI IN MILL VALLEY

A Long Beach man suspected of passing more than 50 forged money orders in the Squaw Valley-Reno area during the Winter Olympics was arrested by FBI agents and sheriff's deputies in Mill Valley.

Phillip R. Sheridan, 35, who said he hasn't worked since 1948, was arrested when he appeared at Mill Valley to pick up his auto, which had been impounded for illegal parking.

At Buying Mart—

Mr. and Mrs. George Zorich of Soda Springs, Mr. and Mrs. Angelo Besio and Mr. and Mrs. I. Firpo of Truckee were buying fall and winter merchandise at San Francisco during the weekend.

International Ski Meet May Be At Squaw In Winter

Plans Call For Meet With Russians Here This Coming Winter

Squaw Valley this winter may be the site of an international dual ski meet matching teams from the United States and the Soviet Union, according to a story by Bill Berry in the Sacramento Bee.

Berry says that Alton C. Melville, president of the National Ski Association, told delegates to the 28th annual Far West Ski Association convention in Reno that state department officials are studying the proposed competition.

Melville speculated that if details can be worked out for an annual meet, that the 1961-62 event two seasons hence could be held in Russia, following the International Ski Federation championships already scheduled for France.

Now on a 14,000 mile swing through the United States, Melville said the main reason for his extensive traveling is to reorganize the NSA into a stronger sporting body. He wants the emphasis to be placed upon sanctioned divisional, national and international competition under the NSA banner.

He declared that five of the seven United States divisional groups have already voted approval of his program.

Approximately 200 skiers attended the Far West meeting including President Byron Mishkian of San Francisco.

Four Lake Men On Freeholder Ballots

TAHOE CITY—Harold R. Farr and Thomas F. Sheehan of Tahoe City and Harry Stubley and Fred M. Schultz of Kings Beach have taken out nomination papers for the office of freeholder in the current move to establish a charter form of government for Placer County.

Tahoe residents point up the importance of supporting Tahoe residents for this area to give the lake representation when the new proposed charter is drawn up.

They also emphasized the importance of voting to modernize the charter.

KINGS BEACH LITTLE LEAGUERS TO MEET

KINGS BEACH—All boys in the Kings Beach area wishing to take part in Little League baseball, forming in the district are asked to meet at the ball park back of the Kings Beach elementary school, Saturday, May 14 at 2 p. m. where they will be interviewed and signed up for the coming season.

Dr. M. I. Schwartz, member of the North Tahoe Rotary Club Little League committe said that each boy should be accompanied by a parent and also take his birth certificate. Boys from 8 through 12 years who will not be 13 before August 1 are eligible.

Anyone interested in coaching or managing Little League teams in the Kings Beach area may contact Dr. Schwartz.

FIBREBOARD FOREST UNIT NOW AT HOBART

Fibreboard Paper Products Corp. has moved its permanent headquarters for the forestry department from San Francisco to Hobart Mills where R. F. Krohn will be in charge. Henry Schwarz is the new forestry engineer.

The Fibreboard timberlands division centered its summer activities for the Sierra timberlands and tree farms at Hobart Mills but made headquarters in San Francisco until the recent change was made.

CABIN AT DONNER IS ENTERED, LOOTED

Fred Hawkes of Vacaville told deputies sheriff that his cabin on the south side of Donner Lake was entered and burglarized during his absence.

Entrance was made by ripping off a shutter and window screen and breaking the glass.

Clothing, food and an electric blanket were among the missing items.

Huge Increase In Number Of Phones Noted In District

There has been a 265 per cent increase in the number of telephones in Truckee, Tahoe City and adjacent exchanges since 1954, according to a report by L. R. de Gallery, manager for the district.

There has also been a 334 per cent increase in the number of telephone calls during the same period, he said.

In 1954 there were 2,000 telephones in Tahoe City, Brockway, Homewood, Soda Springs, Truckee and the South Tahoe area. In 1959, de Gallery reported, there were 7,300.

There were 7,400 calls per day in 1954 compared to 32,100 during last year, the report indicated.

Currently the company has 49 employes in the district with an estimated payroll during 1959 of $274,000.

Over the state as a whole, there were 61,000 employes with a payroll of $262,904,000 in 1954, compared to 65,000 employes, with an estimated payroll of $356,589,000 last year, the report says.

Pollution Board At Tahoe Is Formed

LAKE TAHOE—Organization of a special committee to "watch dog" pollution of the Tahoe region has been announced by the Lake Tahoe Area Council.

With a membership comprised entirely of experts in the field, representing both California and Nevada, the group has been appointed by Ivan Sack, supervisor of Toiyabe National Forest and chairman of the council's planning and operations committee.

Serving as chairman is Cecil Edmunds, Truckee, a member of the Lahontan Water Pollution Control Board.

The purpose of the committee will be to program long-range plans for sewage disposal facilities in the Lake Tahoe area, Sack said, and its prime consideration will be to work to resolve the problems of sewage collection and disposal facilities on a lakewide level.

Explaining that the group was named as a "sub-committee on pollution," Sack indicated the council anticipates the members would at some time in the future be concerned with air pollution also, hence the general name for the committee of experts.

Initial meeting of the council's pollution experts will be on May 11, immediately following a meeting of the Bi-County and Tri-County Joint Planning Commissions at Nevada Lodge, Crystal Bay, Lake Tahoe.

HOSKINS BUYS LOCAL BEER WAREHOUSE

Richard Hoskins, owner of the Nevada City Ice Delivery, announced this week that he has purchased the John Quartly warehouse on West River Street and is installing a local distribution point for Hamms and Coors beer.

The warehouse was recently vacated by William Randall of Randall Distributing, which has discontinued business here.

Manager of the local concern as well as the Nevada City plant is E. A. (Gino) Battista. The salesman driver here will be Larry Mayworm, Hoskins said.

The firm will serve the entire Lake Tahoe, Truckee and Donner areas from the local plant, Hoskins pointed out, giving faster service than could be expected from the Nevada City headquarters.

MILL VALLEY FOLKS BUY KING'S COURT

CRYSTAL BAY — Mrs. Dorothy King has sold Kings Beach Court at Kings Beach and is now making her home at Crystal Bay.

The new owners of Kings Court are Robert and Jane Washburn who formerly resided at Mill Valley. They are making extensive improvements, including installation of a swimming pool and sun deck.

JUDGE EXPIRES

Funeral services were held last week in Nevada City for Judge George W. Gildersleeve who had lived in the community 43 of his 87 years. The deceased has been active in his home district in civic and fraternal affairs, holding the position of justice of the peace for the past 20 years.

Cleanup Day Set For Saturday By Fire Department

Free Breakfast, Lunch To Be Provided Workers On Project

In fitting observance of Fire Service Day, the Truckee Volunteer Fire Department, the Truckee Donner Chamber of Commerce and the Truckee Fire-ettes are cooperating for a big service day on Saturday.

A one-day cleanup, breakfast at Smart's and a lunch at the fire station with a benefit dance and buffet at Crystal Bay Club that night will be highlights of the celebration, Assistant Fire Chief H. L. Owens announced in the absence of Chief Glen Coffey.

Similar to the cleanup staged last year, workers, young and old, male and female, will gather at Smart's for breakfast at 8 a. m. They should come prepared with tools, and trucks will be available for the cleanup.

After breakfast, the work will start in all sections of the district, with crews being assigned to the trucks and loaders for expedient work.

At noon, the Truckee Fire-ettes will furnish lunch at the fire station where an inspection of the equipment, under the care of the firemen will be enjoyed. Drivers will be on hand to take the youngsters for rides, if desired, and a real get-together will be the order of the day.

After the work is done, everyone is invited to the benefit party at Crystal Bay, an event planned by the Fire-ettes and which promises to be one of the outstanding social events of the year.

During the week, home owners are asked to observe Fire Service Day by cleaning attics, basements and yards, having the debris piled conveniently for the trucks which haul it away.

ALL COOPERATING

Fire Chiefs are cooperating in the nation's spring cleanup activities, they are emphasizing home fire safety, trying to make people more fire-safety conscious.

The chiefs suggest that a thorough inspection be made of every house from attic to basement to eliminate as many fire hazards as possible.

OWNERSHIP SEARCH OF WATER ORDERED

KINGS BEACH—Directors of the North Tahoe Public Utility District have requested their attorney, F. L. Sinclair of Roseville, Placer County, to have a title search made to determine the ownership of the Brockway Water Company.

Directors also have asked the consulting firm of George S. Nolte and Company to estimate the cost of installing water mains along State Highway 28 from Chipmunk Avenue to Secline Street for fire protection and domestic water supply.

The district has been informed its application for $17,600 in federal aid to construct additional percolation ponds at the sewage treatment plant has been given top priority in the Lahontan region and will be considered by the state water pollution board the first week in June.

FIRE-ETTES TO SELL TICKETS TO BENEFIT

On Friday, May 13 during the hours of 9 a. m. to 4 p. m. members of the Truckee Fire-ettes Auxiliary will open conveniently placed booths to sell tickets for their Annual Spring Dance Benefit for the Truckee Volunteer Fire Department, to be held in the Crystal Bay Club, Saturday, May 14, starting at 8 p. m.

Booths will be open in the Bank of America and Cabona's Store in downtown Truckee and in Z Market and Besio's Apparel Shop in the Gateway Shopping Center.

The facilities and food are being donated by the Club and the Fire-ettes have planned a gala event, anticipating a large attendance.

CAMPERS ASKED TO LEAVE FAWNS ALONE

Each year as the vacation season rolls around, the department of fish and game issues its usual warning to hikers and other outdoor recreationists not to bother baby animals, especially fawns, that appear to be "lost."

Usually, the mother is nearby and the babies are not lost at all. Besides, possession of fawns and many other wild creatures is strictly against the law. If baby animals are fondled, the mother may desert them because of the human spoor. Leave them alone and they will be far better off and so will you, officials warn.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Meeting
May 2, 1960
Present: John T. Trauner, Clerk
Wm. J. Cassettari, Deputy District Attorney

The meeting was called to order by the Chairman of the Board at 10 A. M. and it was noted that Supervisor Coughlan was absent and all other members of the Board were present.

The minutes of the previous meeting were read to the Board by the Clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to publish the proceedings of the Board in the Sierra Sun during the month of May.

Mr. William Price appeared before the Board in regards to the recordation of the subdivision map for the Evergreen Subdivision and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, approving the map.

The Clerk presented the Board with a copy of the Notice of Publication as required by the Elections Code in regards to the Primary Election, and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to publish that Notice in both the Sierra Sun at Truckee and in The Union at Grass Valley in accordance with the provisions of the Elections Code.

A discussion was entered into on the payment of salaries for the personnel manning the election board, and a motion was made by Supervisor Loehr, duly seconded, authorizing the salary for Inspectors to be fixed at $21.00 per day, and the salary for Judges and Clerks to be fixed at $18.00 per day. Upon a roll call ballot a unanimous vote was recorded.

A motion was then made by Supervisor Bishop, duly seconded and passed unanimously, setting the sum of $15.00 for the rental of those polling places requiring rent to be paid; the sum of $3.00 for setting up of the election precinct booths; and the sum of $5.00 for each Inspector for the return of the election returns.

Mr. A. T. Parsons, Planning Consultant, appeared before the Board and entered into a discussion on the possible acceptance of a report on the potential water needs of the Truckee River water shed as compiled by the firm of T. H. McGuire and Sons. The matter of the final acceptance of that report was deferred until the next meeting of the Board.

Mrs. Lucy Welles Harrel appeared before the Board and requested some type of a charter or franchise on a non-exclusive basis for a commercial flight program at the County Airport. The matter was taken under advisement by the Board.

Mrs. Margery Worth, County Welfare Director, appeared before the Board and rendered the report of the Welfare Department for the month of April, 1960. A motion was made by Supervisor Robinson, duly seconded and passed unanimously, accepting the report and ordering it filed.

A report was submitted by the Purchasing Agent on recent bids that had been received by him for fuel oils and lubricants for the county, and a motion was made by Supervisor Bishop, duly seconded to accept the lowest bid submitted with the exception of gear grease. It was noted that on this motion that both the Fourth and Fifth Supervisorial Districts voted negatively and the motion was defeated for the lack of a simple majority. No further action was taken by the Board on the bids.

A motion was made at this time by Supervisor Bishop, duly seconded and passed unanimously, to adjourn for lunch.

AFTERNOON SESSION:

The meeting was called to order at 1:30 P. M. and it was noted that Supervisor Coughlan was absent while other members of the Board were present.

Mr. K. S. Caldwell, representing the firm of Ernst and Ernst, appeared before the Board and entered into a discussion on a proposed salary survey in the County of Nevada. After a discussion with various members of the Board participating, the matter was deferred for further study.

Mrs. Nellie Uhrig, Public Guardian, appeared before the Board and requested that her salary be increased in the forthcoming fiscal year. Mrs. Uhrig justified her request on the increased activity of her office. There was no action taken by the Board on the request.

Mr. H. Breckenridge and Mr. Harvey Sartorius appeared before the Board representing Ebasco Services and entered into a discussion on a proposed management and/or salary survey. After a discussion it was suggested they submit a written proposal to the Board not later than May 13th.

Mr. Preston Wright appeared before the Board and requested permission to file the map of the Olympic Heights Unit No. 2 Subdivision. The Road Commissioner present in the audience noted that the maps indicated that the roads were to be maintained as private roads. In the discussion with Mr. Wright, it was brought out that Mr. Wright also wanted the Board to pass a resolution certifying that the Board would accept the roads as county roads at such time that they have been brought to county specifications. The matter was finally referred to the Road Commissioner for his study.

At this time a motion was made by Supervisor Loehr, duly seconded and passed unanimously, to adjourn to meet again on May 6, 1960 at 10 A. M. thereof.

/s/ W. W. BISHOP
Chairman of the Board of Supervisors

ATTEST:
/s/ JOHN T. TRAUNER
Clerk of the said Board.

HIGHWAY LANE WILL BE CLOSED TO TRAVEL

The present westbound lanes on U. S. Highway 40 from the Drum Forebay crossing, about 2.5 miles east of Baxter, to one-half-mile west of Emigrant Gap was closed April 25, according to E. H. Whitnack, resident engineer for the state division of highways.

Two-way traffic will be routed over the present eastbound lanes, and continue for the remainder of the summer.

The six-mile section is a portion of the 7.8-mile four-lane freeway being built between 0.7-mile east of Baxter and 0.6-mile west of Emigrant Gap.

With the construction season entering a period of full scale activity, the old road is being closed for grading operations in preparation for paving it to full freeway status on an alignment which will substantially follow the existing highway.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Sunday morning and it's Mother's Day. I think the sun is shining especially beautiful just for her day.

UP EARLY FOR SPRING

Art and Mrs. Debberin of Tahoe Vista, are up for early spring vacation.

FIRE DEPARTMENT

Yes, another annual party, with cocktails, buffet, dancing, ballons, prizes and everything and of course it's to be held at the ever popular Crystal Bay Club. It's right upon us so be sure to see the ad, in this issue, for full details. And 'Welcome' to all you Truckeeites this Saturday.

NEW SWIMMING POOL

The new owners of the Kings Court, are already installing a swimming pool on the property.

PLANS FOR FIREHOUSE

Harry Johanson says he did not have to pay the $90 fine, imposed on him at the kangaroo court in the Tahoe City Rotary Club, if the hose was not furnished by May 1. He says that he also had the plans for the new fire house finished by April 25.

SICK LIST

Dorothy Alleard, cashier at the Stop and Shop Market, during the past few weeks, underwent a major operation at the Mary's Help Hospital, in San Francisco. We are happy to hear that she has improved so much that she will soon be at home here in Kings Beach.

Harvey Klitzke, the third, came down with the measles the last minute so both he and the Harvey Klitzkes' here were disappointed, because he had planned to spend Mother's Day with them.

OPEN HOUSE

John and Loraine Shields of Reno, have been spending a few weeks opening their home in Kings Beach. They have been property owners here for quite a few years.

HOME AGAIN

Gwen Robinson arrived home from a jaunt to Los Angeles. She reports there was no smog in that fair city. She also advised the Dodgers on how to win the championship again this year, she says.

FORMER RESIDENTS

Moving back to Kings Beach, are the Gordon Bitlers. They are former residents of this area who have been residing in Reno during the past year. A big welcome back to you and your nice family, Gordon.

GRAND MATRON EVENT

Over 300 attended the official visit of the deputy grand matron of California, at Grass Valley. It was considered quite an event with over 100 officers in white. Those attending from this area were Ruby and Sam Faulkner, Elsa and Jerry Culbertson and Harvey and Babe Klitzke.

VISITING HERE

Mr. and Mrs. William Pattiani of Oakland, cousins of Mrs. Hugh Johnson, spent the weekend at Kings Beach.

TO SAN FRANCISCO

Audrey and Sam Harrison are to spend a few days in San Francisco where he will attend the commissioners meeting. Audrey will leave Thursday, by jet, for Chicago, to see her mother who has been ill.

MOTHER'S DAY

The Crystal Bay Club was literaly packed celebrating Mother's Day. Elsie and I enjoyed dinner at home, with relatives and many of our friends dropping in with "greetings" for Elsie. Thank you all.

SIGNALS CUT DOWN ON HIGHWAY WRECKS

Signal your intention to turn or to change lanes and cut down your chances of getting into an intersection or side-swipe collision.

This word of advice comes from Bradford M. Crittenden, commissioner of the California Highway Patrol, who added that signals must be given continuously during the last 100 feet before changing the course of travel.

"The basic reason for signals is to let the other driver know in advance what you plan to do and thus enable him to adjust his driving accordingly," Crittenden continued. "Positive signals properly given will aid the smooth flow of traffic and help to prevent collisions involving turning movements."

The patrol commissioner also cautioned motorists to make sure their electrical signal devices are not flashing when they do not plan to turn or change lanes. Improper signaling, he said, adds to the hazards of driving rather than reducing them.

WHAT'S DOING

L. R. deGallery, your Telephone Manager in Tahoe City

RAY ALTOP

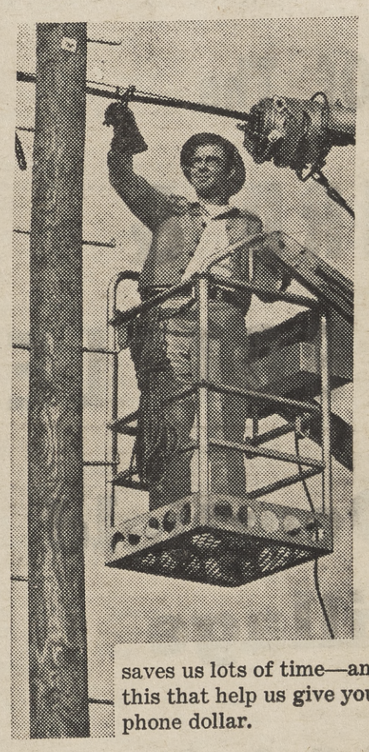

New Fire Commissioner

Born and reared in Sacramento, Ray started to work for Pacific Telephone in 1940.

After 3½ in the Air Force he soon was promoted to a Splicing Foreman, a Supervising position of Plant Service Foreman followed.

Altop came to Tahoe 1½ years ago as Wirechief. On this job he had responsibilities for both Central Office Equipment and Telephone Installation Force. He joined the Lake Fire Department at that time.

Ray and other telephone people are always interested in local community affairs.

When new lines go up, chances are you'll see telephone men working from trucks or poles with equipment like this. We call it a "cable-lasher" — it wraps the cable to a strong steel supporting strand. We used to do the job by hand, hooking rings around the strand then drawing the cable through them. The idea of a cable-lasher sounds simple enough, yet a lot of technical work went into making it a reality. It was well worth it though, because our cable-lasher saves us lots of time—and it's economies like this that help us give you more for your telephone dollar.

Like to have films featuring movie stars and TV personalities at your next club meeting? By borrowing one of the many films available at the telephone business office, their talent is yours for the asking. Some films are the Bell System science shows you may have seen on television. Some are real eye-openers about communications — worldwide telephoning, air defense networks, and a host of other interesting subjects. You'll probably find one that just suits the theme of your club's meeting. Why not call us now to reserve the one you want.

Sure sign that spring is coming full blown is the lengthening of the derriere drape at the Tahoe City bridge as motorists stop to bend and ogle the big fish, that provide continuous free entertainment year-around.

* * *

The big tree marking the entrance to the property bought by Safeway has been felled. The old-timer carried with it a weathered little sign on the huge trunk: "D. B. Harris- Grower and Shipper, Palier, Calif." Old landmarks are fast changing at the lake.

* * *

Despite published repeated warning that California faces 1960 with all indications of a particularly great forest-fire risk, brush and slash that has been piled up since last fall has been smouldering for some two weeks in one area and last Sunday was in flames. A sudden brisk wind could have burned all of us out. Since there will be no fire ranger in this area of El Dorado County until June 15 extreme caution is a must on the part of every resident and subdivider. Despite warnings that all burning must be done under permit only, and during certain hours, fires are lit and burning throughout El Dorado and Placer County, some attended, some not at all hours of the day. Judges for both counties have declared the fines for violations will be stiff this year and with good and sufficient reason. The unusually late fire season of 1959 and two successive years of below normal rain makes extra care mandatory for all persons traveling or living in the wildlands to prevent a new fire record. A total of 381,792 acres burned during 1959, as compared to a past five-year average of 277,513 acres with a marked increase in man-made fires.

* * *

The Lake Tahoe Sierra Emblem Club No. 347 decided at their May 5 business meeting to hold a mother-daughter tea and fashion show on May 21, at 2 p. m., at the Nevada Lodge, Crystal Bay. The public is cordially invited to attend. The club's charter closes on June 22 and anyone who is eligible to join should contact the membership chairman, Mrs. George Day, JU 3-3330.

* * *

The Tahoe City Women's Club luncheon at the Chicken House last week surprised Mrs. Zella Mortimer, Eve Donadio and Eunice Henrikson with happy birthday wishes. Mrs. Gordon Brown presented the new slate of officers for the coming year: Mrs. Bill Wilt, president; Mrs. Ray Grahn, vice president; Mrs. Gordon Brown, recording secretary; Mrs. Charles Henrikson, corresponding secretary; Mrs. Bob McMahon, treasurer. The Tahoe City Women's Club was honored with awards at the recent district convention at Tahoe Sands as follows: emblems, first award, Mrs. Gertrude Wilt; safety, second, Mrs. Gladys Pedley; history and landmarks, second, Mrs. Gladys Pedley; international affairs, second, Mrs. Gordon Brown; and was one of three clubs in this district to receive a prize for one hundred per cent participation in international projects (CARE). The recent memorial service of the club dedicated to the many members of the club who have passed on recalls the lines: "Time flies, you say? Ah no, time stays, we go."

* * *

Jack Dempsey returned to Tahoma from Santa Cruz but is off again shortly for a trip to Lake Chapala, Mexico with Ed and Mrs White of Rubicon.

* * *

Mr. and Mrs. George Neldam of Orinda and Tahoma came up for a day last week. They plan a vacation in Guaymas, Mexico shortly there after to return to Tahoe for the summer.

* * *

Doctor and Mrs. Edmund F. Anderson of Hillsborough spent the weekend here and his mother, Mrs. Flora F. Anderson of Oakland came up a few days prior to their visit.

* * *

The Dave Donaldsons are happily ensconced in their new home at Tahoe City.

* * *

Up for the weekend was Mrs. James Black of Auburn and her two children to check on the building of their new house at Carnelian Bay. Mrs. Black is the former Alta Dwyer who used to teach at Tahoe Lake School. Alta is eagerly anticipating living at Tahoe again.

* * *

Mike Connelly at the Tahoe City bridge is most enthusiastic about the recently formed Lake Tahoe Ice Hockey Assn. The group practices and has a game Monday and Thursday night at Squaw Valley arena and welcomes anyone who wants to play hockey—skaters or not. Some now on the team are just learning to skate. The Connellys and young Kerry Lynn are now living in Tahoe City.

* * *

Sal J. Rock, former restaurant man of San Jose, is opening the Tahoma Coffee Shop soon. He will specialize in pizzas and serve regular meals.

* * *

The Soroptimists elected new officers on May 3. They are Blanche Donaldson, president; Marge Fellows, vice president; Thelma Seriver, secretary; Tally Daneri, treasurer; Martie Rieck, corresponding secretary; Mae Murray, director; Barbara Spitzen, delegate.

* * *

Gus Bandiera of Tahoe Park told Dave Donaldson that while returning to Tahoe from the south end last Saturday he and his party nearly ran down a rather large mountain lion which loped in front of their car for some five minutes before disappearing in the roadside brush.

* * *

Honored for long service as directors at the Placer County Chapter of the American Red Cross in Auburn last week were Marie Henry, 15 years, and Louise Geier, 10 years. Marie has been active in Red Cross work since WWI, a devotion to public service few can equal.

* * *

"Pixie" (Janet) Gurnari, daughter of the Lester Gurnaris of Redding, visited her aunt, Mrs. Mary Johnson at Tahoma for a week. Mrs. Redding and son Jimmy drove up Monday to take her home.

* * *

Marie Henry displays discretion even when having her very first automobile accident. The collision occurred Sunday right in front of the family's Tahoe City Garage, so naturally she didn't have to call a tow car. The incident, fortunately, injured no one seriously. The other car was driven by Mrs. R. H. Ledford of Kings Beach.

* * *

Quite a few picnickers were enjoying the sun and the view at the State Park north of Tahoe City last Sunday.

* * *

Mike Mariani and his father arrived from San Diego at Westlake Village last week. Mrs. Mariani and the children will be up soon for the summer.

* * *

Dr. and Mrs. Victor Brochard spent a few days at their Tahoma lakefront house and expect to return in June when school is out.

* * *

Mr. Julius Philips of Rubicon opened his place for the summer.

* * *

Truman Sunkel of Tahoe Pine Lodge is back at the lake after several months of building work at Redding.

* * *

Harold and Helen Smith of Palm Desert Lodge write they will reopen Smith's Lodge and Coffee Shop in Homewood as of May 25, serving the same good food and strawberry pie as of yore. Many of their Tahoe friends stopped at the Smith's in the south and admired their lovely location. We apologize to Harold for changing his name to Howard when last we mentioned him in this column.

* * *

Mrs. Lolita Smith, daughter Dorothy and son John, of San Francisco, were busy last weekend opening their Tahoe Cedars Lodge at Tahoma. Dorothy had to return to her job Monday and John to the University of Nevada, but they got a lot done just the same.

* * *

Mr. and Mrs. Bob DeVore of Napa spent a weekend holiday at Tahoe Pines Jim and Gladys Nolan of Vallejo were their guests.

* * *

Bob Anaclerio of Concord has added a new gas pump and an extension to his dock at May-Ah-Mee beach and expects his family up for the summer soon.

MRS. PLUNKETT WILL HEAD SIERRA STOCK

CRYSTAL BAY—Installation of officers of the Sierra Winter Stock group was held at the Crystal Bay Club on May 11. The following officers were installed for the ensuing year: president, Mrs. Raymond Plunkett, vice president; Mrs. David Ashton; secretary, Mrs. Jack Felte; treasurer, Dr. Marvin Schwartz.

The past officers: president, Mrs. David Ashton; secretary, Dr. Marvin Schwartz; and treasurer, Rev. Earl Langguth, made their final reports at the last regular meeting showing an active and prosperous term. Mrs. Ashton's operational report included having produced: "A Child Is Born", "Maker of Dreams," rehearsals in progress for two one-act plays.

A production of three one-act plays will be presented the first part of June.

The Stanley Boltons have arrived at Tahoe City, having spent the winter at Hemet.

STATE FARM CUTS CAR INSURANCE RATES FOR MILLIONS

A new rating plan from State Farm reduces rates for many careful drivers! It's a pin-pointed system for determining the rate that's fair for YOU personally. It matches you with one of nearly 100 driver classifications—according to your age, your sex, family members who drive your car, where you drive, how much you drive, and what you use your car for. It's more accurate in determining YOUR fair rate. And whatever your classification, you're pretty sure to pay less with State Farm than most folks pay elsewhere. Contact me today.

STRIKES & SPARES

BY JOE WILMAN

HERE'S STEP 1 IN A FOUR-STEP APPROACH

The first step, with the right foot, must be a short one, as you can see by the illustration—no longer than the length of the push-away motion of the arms. And keep in mind that this push-away must accompany the first step.

Too long a step at this point would affect your timing and might also make it more difficult to get the body into motion.

As the right foot moves forward, the arms should be pushed out directly in front of you. The ball should be pushed away from the body, straight toward the target. Gravity will take over, and the ball will fall naturally into the backswing.

Notice how the the illustrated bowler's body is bent forward slightly at the waist as he takes his first step. The left hand is automatically extended out for balance.

In pushing the ball away from the body, never push it up or down or to either side. Remember—DIRECTLY TOWARD THE TARGET!

TAHOE TRUCKEE SCHOOL NEWS

DONNER TRAIL SCHOOL

PRIMARY: The primary students of the Donner Trail School have spent the past week engaged in a very interesting study of fish, inspired by the opening of stream fishing season. The students have studied such parts of the fish as their gills, mouth, fins, tail, scales and eyes and the functions of each and how they help the fish adapt himself for living in water. The Donner Summit Lodge loaned the class a gold fish which allowed the students to see these parts of the fish and observe the fish's use of them.

KINGS BEACH SCHOOL

SECOND GRADE: The following children have finished their readers titled "Happy Times" and are now reading in "Just For Fun": Jay Johnson, Gregory Brockelsby, Gregory Hane, Gary Peters, Karen Carrerra, Carolyn Sprankle, Billy Osimcup, Lowell Loehnert and David Brown.

John Gorrindo brought a science book "Moon, Sun,, and Stars" to share with us.

We listened to Janet Stumbo's record album, "Sleeping Beauty," during the music appreciation period.

THIRD GRADE: We are now studying ships and boats in our transportation unit.

In our multiplication and division we have had no grades below 90.

SEVENTH GRADE: Our new class officers are Bob Holley, president Ronnie Baker, vice president Leta Laborde, secretary; and Wendy Boatman, treasurer.

Our class committees are: balls, John Wainscoat, Don Decker; bulletin board, Celeste de Sylva, Wayne Mandeville, Richard Jacobson, Mark Vance; chalkboard, Karen Simpson, Pamela Simpson; clean up, Chuck Carpenter, David Reed, Donna Mackin; desks, Stephen Newberry, Marlea Draney, Toni Taylor, Barbara Hutchinson, Art Waddell, Nancy Jo Bervid; library, Estelle Howell, Carlo Franklin, Marie Wainscoat; lights and windows, Barbara Hampton, Bob Wells; paper, Amy Arndt, Dennis Clinton, Gail Fitzgerald; projector, Carl Brooks, Kent Fugazi, Jon Hill.

TAHOE LAKE SCHOOL

KINDERGARTEN: Each kindergarten child completed a colorful finger painting this week to present to mother on Mother's Day. On Friday the children did such good work that they were privileged to play on the first grade playground.

FIRST GRADE' The following students made one hundred per cent on this weeks big arithmetic test: Deborah Fitts, Michelle Legras, Paula Henrikson, Sherry Freeland, Steve Cross, Carl Ruhkala, Jennine Michener, Bill Moyer, Bonnie Nyberg, Julia Gehlert, Julie Howard, David Thomson, Stephen Dilbourn, Jackie Ghormley, Yvonne Baker, Paul Corona, Scotty Shirley, Lanny Karcher, Tommy Coster, and Delwayne Matthews.

SECOND GRADE: The class made a folder for Mother's Day. President for the week is Mark Davis, and the secretary is a new girl, Leslie Thoman. The class wants to welcome another new member from Hermosa Beach. His name is Douglas Lindsey. The majority of the children received one hundred per cent in their trial spelling test for the week.

THIRD GRADE: We have begun our study of marine life and the children have already identified 33 of the shells on display in the room.

There are two new people in our classroom—they are Ann Call and David Hage.

FOURTH GRADE: The following children have completed relief maps of California: David Wood, Erik Henrikson, Pamela Bradley, Tabor Griswold, Janet Jorgensen, Susan Wertz, Tuck Rivard, Leah Howard, Tommy Hoff, Ann Starratt, Diane McBride, Karin Meixner, Jackie Jone, Denise Henrikson, Anna Marie Conners, and Jimmy Caulkett.

Twenty-four children received hundreds in the weekly spelling test.

SIXTH GRADE: Another busy week with over 15 pages of arithmetic behind us. Division of fractions are practically second nature to all now. Social studies showed good improvement with Lynn Dutton and Steven Rogers tying for honors with grades of 96.

In the prelims 100's went to Steven Rogers Lynn Dutton and Joan Palmer. We lost one student to southern California, Stephen Ives and another to Lafayette, California, Tommy Kilbourn. This lowers our total to 38 which is better than our earlier 47 students.

SEVENTH GRADE: Top readers have been Allie Cushing, Cathy Conners, Kathy Wilson, Judy Ingram, Susan Stephani, Sherry Wall, Wendy Broomhall, Eddie Hoff, Greg Moore, and Linda Wolden. "A's" in the recent math test include: Linda Wolden, Sherry Wall, and Jerry Bloom. "B's" include Holly Shaw, Susan Stephani, Allie Cushing, Eddie Hoff, Randa Fugere, and Wendy Broomhall.

EIGHTH GRADE: Those receiving A's and B's in their English test were: Bill Bate, Bob Holley, Josette Fugere, Dennis O'Conner, Kim Turner, and Gene Smith.

TRUCKEE ELEMENTARY

KINDERGARTEN: Our large spider plant accommodated us by producing 28 small spiders, just enough for each member of the class to have one to pot for his Mother's Day gift.

FIRST GRADE: Best spellers this week are: Mark Nelley, Debbie Jellin, Anne Hackett, Donna Horman, Dennis Dent, Nancy Rablin, Maria Acosta, Steven Mitchell, Peggy White, Janet Corro, Billy Fordham, Gary Stone, Kenneth Grady, Sharon Ford, Joan Apple, Patsy Goldsmith, Nola Houlgate, Janet Moody and Catherine Craig.

We welcome Mark Neeley to our class.

FIRST AND SECOND GRADE: The first grade won the spelling match for this week: 100 per cent spellers are: Jean King, Debbie Eckerman, Barbara Burgess, Karen Silverri, Rose Mary Campos, Gary Paddock, Jimmy Peterson, Joe Jaurequi, LaVon Mayer, Darlene Androus. One hundred per cent spellers from 2nd grade are: Nancy Raynor, Maryann Reichlin, Susan Kenyon, Kent Mullis, Virginia Strobel, Homer Owens, Dennis Walker, Donna Huse, Christine Juliot.

SECOND AND THIRD GRADE: Sandra Ferdinand, Augie Acosta, Phyllis Brown, Steven Kenyon, Sandra Davis, Diane Rose, Mark Manley, Sharon Conine, Jim White, Cathy Menges, Dennis Welier, Carl Mahon, Chris Wiser, Dottie Kirk, Steven Rose, Debby Rosamond are the best spellers this week.

We are busy building a post office to culminate our social studies unit.

Diane Rose brought big cartons from the store to make the different sections.

THIRD GRADE: New class officers elected for the month of May are: George Franceschini, president Kenneth Weiler, vice presi-

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.

Why spiritulization of thought is essential to the peace and progress of mankind will be explained at Christian Science services Sunday.

Keynoting the Lesson-Sermon on the subject "Mortals and Immortals" is the Golden Text from Romans (8:6): "To be carnally minded is death but to be spiritually minded is life and peace."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (256:1-5): "Progress takes off human shackles. The finite must yield to the infinite. Advancing to a higher place of action ,thought rises from the material sense to the spiritual, from the scholastic to the inspirational, and from the mortal to the immortal."

One of the opening Bible passages to be read states (Ps. 37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

DONNER DOINGS

By VIRGINIA O'BEAR

I believe summer is just around the corner now. We have been having such beautiful weather and it is so nice to see flowers blooming. I found some beautiful snow flowers in our yard this week and that's always a good sign that warm weather will be here for awhile. Warm weather always brings out a few unpleasant things, too. Insects and ants and bees and flies. Speaking of insects, I found a very unusual one the other day on one of my houseplants. It was so rare that I managed to get it in a small jar with a perforated lid and the division of forestry sent it to the California Bureau of Entomology for identification. The report came back stating that it was a Bombylius major Linn'e. Now in case you are wondering what that is, it is a bee fly. It was the strangest looking insect that was a combination of a fly and a bee with the stinger protruding from between the eyes. If you should discover one of these on your houseplants, don't be alarmed. there infestation is light.

Fishing reports from our area our good. Limits of trout are caught every day so I know there are fish in Donner Lake and for the few of you who have been unlucky, try some of those bright red eggs called balls of fire. Don't forget the free fish derby this Sunday at Donner Lake Lodge, from 1 p. m. to 4 p. m. Prizes will be awarded and the winners will be handed their prize by the lovely Miss Donner Lake, Joanne Pomin and her two princesses, Jan Ambler and Shirnell Hansen. Also on hand to help will be the royal court consisting of Varien Frey, Joan Brown, Stephie Firpo, Donna Barnes, Linda English and Valerie Mandeville. Weigh in your fish at McReynolds Sporting Goods or at Donner Lake Lodge, prizes will be awarded for the largest fish and the largest weight limit. Separate prizes for men, women and children under 12.

The Donner Lake Volunteer Fire Department met Sunday for a day of work on the firehouse. The busy firemen worked most of the day and they now have an attractive sign on the building stating that it is the fire house. The men accomplished many things Sunday and have a lot of the inside work finished, including shelves for more storage.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet at Soda Springs Hotel next Thursday, May 19. The time is 7:30 promptly and hostesses for the evening are Eleanore Capel, Lona Boren and Nancy Brodie. Plan to attend and take a neighbor.

Dr. and Mrs. Douglas Brodie and son John spent a few days in San Francisco last week. While there, John stayed with his aunt Mary while his Dad and Mom went to the Giants game. John's aunt Mary is his father's sister, Mary Ellen Brodie.

Mr. and Mrs. Roy Slate recently returned from a short vacation. Ozella said she would have enjoyed her trip more if the weather had been nice but last week the weather was miserable everywhere.

* * *

Mrs. Roger Brown suffered a broken foot last Saturday when she fell. She has it in a cast so she will be using crtuches for awhile.

If I have made some mistakes this week, please forgive me. You see I am getting a new daughter-in-law this week and by the time you read this our son Dave will be a happily married man. He is marrying Miss Sherri Blackburn of Reno and they will make their home at Donner Lake.

PUBLIC SERVICE and PUBLIC RESPONSIBILITY

"PUBLIC SERVICE" implies a **"PUBLIC SERVANT"** — Webster defines a **"SERVANT,"** as one who is engaged to promote, further aid, help, assist or benefit another.

The person representing you as **"SUPERVISOR"** should have a full sense of **"PUBLIC RESPONSIBILITY"** and the **TAXPAYER** should not tolerate indifference or any lack of interest in their affairs.

Attendance and Lip Service to the needs of the Public are not sufficient. A continuing, active participating interest and work on issues and programs that will advance the well being of all, is the duty of a **"PUBLIC SERVANT."**

"PUBLIC SERVICE is not something with which one should salve his conscience by his attention on special occasions. It is a Principle which ought to infuse a Public Servant day by day.

A **"PUBLIC SERVANT"** should have a continuing interest in the Community and County in which he lives, otherwise he is woefully lacking in **"PUBLIC RESPONSIBILITY."** As a Public Servant he should subordinate his individual and personal interests for the benefit of the people as a whole.

The level of **"PUBLIC SERVICES"** must keep pace with private economic development. Our County Board of Supervisors must play a key role in this part if we are to grow and prosper with the rest of the State. As one who has no other interests but to **"SERVE"** I am yours to command.

DONNER SUMMIT NEWS

By DONNA I. POWER

UTILITY DISTRICT MEETS

At the regular monthly meeting of the Donner Summit Public District held Tuesday evening in the Donner Summit Lodge the board members voted in favor of a resolution electing incumbent board members, Harry Pratt and Bill Cannon, to continue in office for terms of four years. Also discussed was the estimate on the cost of the improvements desired in the water district concerning service to customers. It was pointed out that should a bond issue be voted and sold to pay for the needed improvements the Donner Summit Public Utility District will be able to serve other areas not now in their boundaries, such as the Sugar Bowl area, Norden and the Southern Pacific domestic water users. A meeting between the board members and the Auburn firm of engineers to estimate the amount of money needed for improvements will be held this month. Advisors to the board Ray Carlisle and Paul Chamberlain were present at the meeting as were interested residents, Mr. and Mrs. Ray McCarty, Mrs. Mary Williamson, John Johansen and Donna I. Power.

PRATT HOME

Harry Pratt has returned this week from his annual trip to Mexico where he says as usual he had a wonderful time ,as did his wife who accompanied him.

WEDDING PLANS

Miss Linda Lucot of Sacramento, niece of Barbara Zorich of Soda Springs, has announced her engagement to Kenneth Morton of Sacramento. The couple plan their wedding for July 2 at the Westminister Presbyterian Church in Sacramento. Soda Springs residents will remember the bride elect as one of our good skiers of the area.

HONORED AT SHOWER

Present at a baby shower in his honor was three weeks old Michael Edwin West, son of Mr. and Mrs. Allen West of Soda Springs. The gathering was held in the charming home of Adell deRyk on Thursday evening. Guests present were Mrs. Frances Dragoo, Mrs. Zona Madden, Mrs. Voleta Mason, Mrs. Dorothy Bacon, Mrs. Barbara Zorich, Mrs. Lina Fredericks, Mrs. Betty Board, Mrs. Betty Hampton, Mrs. Betty Aro, Mrs. Kate Zoll, Mrs. Boo Garwood, Donna Power, Mrs. Violet West, and the hostess. Before the excitement of opening the lovely gifts presented to the new baby the group enjoyed a game of charades. Everyone enjoyed the delicious strawberry short cake served as refreshment at the conclusion of the evening. Mr. and Mrs. Junior Bounous spent a short visit at the gathering on their way to Utah where they will spend the summer months on the ranch of Junior's father.

SUMMER PLANS

Planning a trip to Mexico for the forthcoming summer days is the Keith Lummis family of Norden who live in the Sierra Club as managers. The family which includes Mrs. Hazel Lummis daughter, Susie, and son, Jimmy, have already begun their study of the Spanish language which they expect to use.

WEATHER

The facilities at the Central Sierra Snow Laboratory again faithfully reports the snow conditions of the area. The year's total snowfall to the 9th of May has been 318.95 inches, 1.75 inches of which fell last week. The warm sun has brought the depth on the ground to 24 inches.

RETURNED HOME

Leaving Friday to return to her Cyprus home was Mrs. Violet West, mother of Allen West of the Central Sierra Snow Laboratory. Mrs. West has spent some time visiting with her son, daughter-in-law and grandchildren.

Army

THE GORGAS MEDAL for "outstanding work in the field of preventive psychiatry" has been awarded to Colonel Albert J. Glass of the U.S. Army Surgeon General's Office. In memory of Major General William C. Gorgas whose efforts made construction of the Panama Canal possible, the award is made annually for distinguished work in preventive medicine for the Armed Forces.

JOHNSON WILL STAY IN EAST FOR PRIMARY

WASHINGTON, D. C.—Congressman Harold T. (Bizz) Johnson, seeking his second term as representative of the 2nd, valley-mountain district, said he plans to remain in Washington as long as congress is in session.

"The good people of the second district elected me to represent them in the 86th Congress," Johnson said in a pre primary election statement. "That is where I shall remain."

Congressman Johnson said the congress expects to adjourn early in July before the presidential conventions and therefore he would not be able to return to California before the June primary election.

"I feel that the people of the second district want and deserve on the spot representation. I have prided myself on being present on the floor and expressing my vote in all but one roll call during the current congress. I shall keep this up."

Upon adjournment of the congress, Representative Johnson said he would return to the district and give the people of each of the 19 counties a first hand, on the spot report of the events of the congress and what will be ahead in 1961 as far as federal legislation is concerned.

Charles A. Lindberg made the first solo flight across the Atlantic May 20-21, 1927.

CONGRESSMAN SEES BIG POTENTIAL FOR SIERRA SNOW SPORT

By Congressman Bizz Johnson

One of the fastest growing "industries" in a booming California is winter sports. The people of California are flocking to the mountains to play in the winter sunshine and the snow. And, of course, the Sierra is most popular, attracting expert skiers and novices from throughout the state.

With worldwide interest centered on one Sierra snow sports area, Squaw Valley, really came into its own as a recognized winter sports region. More than a million people visited Squaw Valley before, during and after the Winter Olympics.

But more impressive to me is that more than a million people visited other snow sports areas of the state as well.

I took a survey of California's national forests and parks to see what was happening in this recreation field. Everywhere officials reported the business of going down hill on skis and sleds is zooming.

Many mountain areas, which once lived on summer economies, are finding the snow enthusiasts bring welcome new business. Millions of dollars have been spent in snow sports and lodge development. An the potential still is tremendous.

Tahoe National Forest, with the Olympics, of course led the field and Henry E. Branagh, forest supervisor, advised me that skiing use itself was up 60 per cent over last season with 116,500 people on the slopes. Nearly 14,000 people have used the ice rink, not counting the thousands upon thousands of spectators.

An old standby in the winter sports field is Yosemite's Badger Pass. Superintendent John Preston writes that there have been 126,718 visitors by early April and they still were coming. An average of 550 people use the facilities on a week and 1,800 to 2,600 on a typical Saturday or Sunday. This does not include 6,232 visitors who ice skated on the valley floor. Badger Pass opened in 1933 and the use has been growing constantly.

The Stanislaus National Forest, and especially the Sonora Pass Highway region where ski use is heavy, realized a 25 per cent increase in snow activities boosting this to somewhere near 125,000 visits. Nine thousand flocked to Dodge Ridge over Washington's Birthday. Anther 7,000 went up Highway 4 to play in the snow, Supervisor Harry Grace reports.

Stanley R. Zeger, acting supervisor at Eldorado National Forest, says the year there was substandard as far as snow conditions were concerned, but that did not slow down the skiing enthusiasts. About 95 per cent of the approximately 106,000 people using the Highway 50 and South Tahoe snow fields are skiers. The use was up about seven per cent. "The last two snow seasons have been poor," says Supervisor Zeger, "but the trend is steadily increasing."

The people on the east side of the mountains are sharing in this activity and Mammoth Mountain of the Inyo National Forest is one of the fastest growing snow regions reports a 32 per cent gain with in California. Supervisor Joe Radel more than 100,000 snow visits to the Inyo.

Although skiing is a major sport at Lassen National Forest and Volcanic Park, Forest Supervisor V. A. Parker and Park Superintendent Edward Freeland say heavy family fun use attracts groups from all over northern California, including the San Francisco bay region. The amount of San Francisco mail I receive concerning Lassen's ski hut would bear this out.

About 22,000 traveled to Lassen Forest, half of them going just to romp in the snow with the rest doing the skiing. Another 15,000 toured Lassen Park's snow fields.

There is a tremendous potential for future development in both the Lassen and Inyo regions as well as some of the lesser forest lands. R. E. Dasmann and Joseph Thornton, supervisors of the Mendocino and Modoc National Forests, report heavy "family type use" in their areas with the Cedar Pass region in the Modoc just developing.

Plumas National Forest's La Porte was one of the first ski areas to develop in northern California many, many winters ago. With that facility and the new Johnsville State Park coming in, the potential winter sports development is considerable. William Peterson is Plumas supervisor.

I look for development of the Plumas, Cedar Pass, Onion Valley and many other regions similar to Mt. Shasta's Ski Bowl in the Shasta-Trinity National Forest. Observing its second year of winter sports, Forest Supervisor Paul Stathem says Shasta Bowl use is up 25 to 50 per cent this year over the initial season there and Snowman's Hill continues to provide an excellent community place to play in the snow, which means most of the increase consists of visitors from outside the immediate region.

What Supervisor Stathem says about the new Mt. Shasta Ski Bowl well could be said for all of the Sierra Nevada:

"The presence of these many additional skiers and sightseers in the Mt. Shasta area has already brightened the economic picture and has resulted in many improvements, particularly in the tourist and restaurant accommodations. We look forward to even greater prosperity as the reputation of the winter sports activities spread."

The reputation was spread this year to the benefit of all the Sierra Nevada, and everyone concerned must continue to work together to provide the facilities to meet this demand. The investment will be repaid manyfold.

CONDEMNATION BILL IS SIGNED BY BROWN

Governor Edmund G. Brown has signed a bill opening the way for state condemnation of additional land at Squaw Valley.

The measure, by Assemblyman Jesse M. Unruh of Los Angeles, allows the state to condemn private land it wishes to acquire for park purposes at the site of the 1960 Winter Olympics. Legislative approval of specific condemnations is not required.

The Lewis and Clark expedition reached the end of its journey at St. Louis, September 23, 1806.

HUSKIES BLANK TnT WOLVERINES 17 - 0

By FRANK CADJEW

The powerful Reno Huskies, mathematical ..champions ..of ..the Northern Nevada Conference, Western Division, showed the reasons for their undefeated season Thursday on the local field when they snowed under the Wolverines by a score of 17-0.

In so doing, Dave Crepps, hard-throwing Reno senior right-hander, pitched a perfect no-hit game for the abbreviated five-inning make-up tilt originally scheduled for two weeks ago. Crepps did not walk a man, and struck out eleven in recording his masterpiece.

Meanwhile, Sam Medford, Wolverine senior southpaw, was having troubles, due mainly to weak support afforded by his teammates. Errors were quite plentiful as Reno scored two unearned runs in the first inning, and came right back to ice the contest with nine big tallies in the second.

After scoring three runs in the third, and chasing across three more in the fourth, Stan Gould, stellar pitcher for Tahoe Truckee, loosened up in preparation for the final contest of the season against arch rival, South Tahoe, by pitching the final inning against the Huskies.

FRED SCHULTZ TELLS OF COUNCIL GROWTH

TAHOE CITY—Miss Joanne Pomin who gained the title of Miss Donner Lake at the contest on April 30, was guest of honor at the Tahoe City Rotary Club dinner meeting at Tahoe Inn on May 3.

Escorted to the dinner by young Steve Cowan, Joanne, and her escort were welcomed by a standing applause and was presented with a $75 merchandise order with congratulations for her success in the contest over eight other charming contestants.

Guest speaker for the meeting was Fred Schultz, administrative manager of the Lake Tahoe Area Council who told of the hurdles eliminated before the council finally began to accomplish objectives in the orderly development of the Lake Tahoe area. The big hurdle eliminated, Schultz said, was the work authority which did not take with civic organizations and, the people in general.

With that and other changes of name and, with a slate of officers of diversified business experience such as Raymond M. Smith of Reno, Nevada, who is planning director of the council we are progressing rapidly in a final achievement of the objectives," Schultz said.

The achievements he listed include, a permanent Coast Guard base for boating and bathing safety and appropriation of $49,000 for restocking the lake with fish; favorable action towards an all-year highway around Emerlad Bay, possibly a bridge and aerial mapping of the lake area in view of compiling a master building plan to include industry which has already encroached on residential and commercial properties at both south and north Tahoe.

In concluding his talk, Schultz referred to the Rotary four-way test which if applied around the entire lake would be a big factor in the orderly development.

Thirty-two members and four visitors attended the meeting. Bill Bechdolt presided.

BUDDY POPPY SALE STARTS ON MAY 21

KINGS BEACH—Bob Molsberry, commander, V. F. W. Post No. 7077 and Pearl Martin, president, Ladies Auxiliary announce the annual Buddy Poppy sale will be held Saturday, May 21, hours, 9 to 5 p. m. in the north Tahoe area.

Buddy Poppies carry a trademark label on which is printed "Made by Disabled Veterans", also have the government registered trademark of the Veterans of Foreign Wars.

Proceeds from Buddy Poppy sales help nationally the rehabilitation program, assists those disabled veterans confined to hospitals ,widows and orphans of deceased veterans, some of which are given a new life in the VFW National Home at Eaton Rapids, Michigan. The bulk of the money collected remains "at home" to carry on service activities in the local community.

VIKINGS EASILY WIN FROM WOLVERINES

By KRIS FELTE

The South Tahoe Vikings defeated the Tahoe Truckee Wolverines for the second time this season in an error-laden game 14 to 1, on the Viking diamond, Friday. The Wolverines, committing several errors in the later innings, gave the Vikings the win on a silver platter.

Gary Cline, pitching a shutout until the seventh inning when Stanley Gould homered, was credited with the win, while Stan absorbed the loss.

In the first inning, the Wolverines, doing as they had done all season, left base-runners on the paths. In the Viking second, Tahoe Truckee committed several errors, to hand South Tahoe a couple of runs.

In the fourth inning, Truckee committed three errors, to load the bases and set the stage for Bob Cole to hit a grand slam homer.

Bob Ziegler, trying desperately to get some runs for the Wolverines, took too long a lead off second on a pop fly and was doubled up with a fine catch by the Viking shortstop. In sliding back to second base, Bob got his foot caught under the bag, and earned a badly sprained ankle.

In the later stages of the game the Wolverines could do no right, and allowed many runs to cross the plate for the Vikings.

This game left the Wolverines tied with Carson City for last place in the league standings.

POLIO CLINIC WILL BE HELD HERE ON MAY 20

On May 20 the Nevada County Health Department is again offering polio injections and other immunizations to adults and preschool children.

This clinic is held mainly for those who cannot afford to obtain them through their private physicians, hence there will be no charge.

The clinic will be held at the old elementary school in Truckee, May 20, between 12 noon and 1:30 p. m.

One polio injection in May and another in June will give some protection against the disease before the polio season starts in June. A third injection would be due in December or up to one year after the second injection is received.

The doors will be closed promptly at 1:30.

SECOND SIGNUP FOR LEAGUE IS CALLED

Dr. Henry Tapia announces that there will be a second "signup" meeting of the Little League at the Truckee baseball diamond Saturday afternoon at 2 o'clock.

There were not enough boys with parents at the last meeting to fill the roster and so a second meeting was found necessary, Dr. Tapia said.

AUSTIN WARDS ARE PARENTS OF GIRL

Charles Osburn has received a telegram from Fairbanks, Alaska from Mr. and Mrs. Austin Ward announcing the arrival of a baby daughter on May 9. The little girl weighed seven pounds, seven ounces. Her given names were not revealed in the message. Mrs. Ward is the former Miss Marie Osburn of Truckee.

$50,000 DAMAGE IS SOUGHT IN MISHAP

As a result of a truck crash at Hirshdale last May 6, a suit has been filed in the Nevada County Superior Court in the amount of $50,000.

The plaintiff is Billy G. Kimbell, the driver of a gravel truck which was struck by a truck loaded with beans operated by Roy W. Lee, operator for the Wells Brothers Trucking Company of Twin Falls, Idaho.

Kimbell charges Wells Brothers with negligence and carelessness in the accident in which the plaintiff charges he suffered a broken hand, spinal injuries and sprains, lacerations, bruises, concussions and severe shock to his nervous system.

Aside from the damages, Kimbell asks court costs and liability for future suffering. Lee was cited by the highway patrol at the time of the collision.

DANCE JUBILEE WILL BE STAGED IN RENO

Plans are now being completed for the thirteenth annual Silver State Square Dance Jubilee to be held May 20, 21 and 22 at the Reno High School gymnasium.

According to Mrs. Wally Byassee, chairman in charge of the entire affair, this year's square and round dance festival promises to be the best yet, with over 1,000 dancers expected from all parts of California, Utah, Oregon and Idaho.

GETS ASSURANCE

Preston Wright, promoter of Olympic Heights Subdivision No. 2 near Truckee, making his third appearance before the Nevada County Board of Supervisors Friday, finally received assurance that the roads in the tract would be accepted if they are brought up to present county specifications.

SPECIAL MEETING

A special meeting of the directors of the Truckee Public Utility District will be held Tuesday, May 17 at 8 p. m. in the office of the district, President Ben King announced.

Strawberries accounted for 7.3 per cent of the total value of California's 1959 vegetable crop.

Loehr Assisted In Securing Hospital

This being Hospital Week, it might be well to recall some of the tremendous effort which was put forth to bring about our local institution of which we are justly proud.

Our hospital was made possible through the untiring work of a small group of people, not the least of whom was your supervisor, H. G. Loehr. Every avenue of approach was exhausted before the idea of a local district was hit upon and decided as the best and only way this region would ever have a sorely needed hospital.

A period of seven years was needed to bring about the desired results with your supervisor "carrying the ball" as one of the small group of committeemen and women. Many will not recall the many meetings here and elsewhere that were required, with no little personal expense being involved to bring about a satisfactory end.

The community may well be proud of its hospital and the work of that earnest, hard-working committee.

LAKE TAHOE FISH BILL SIGNED BY GOVERNOR

Governor Brown has signed legislation budgeting $43,000 for the Department of Fish and Game Lake Tahoe trout fishery program. The work will be carried on in cooperation with Nevada fisheries personnel.

New rearing ponds are being built at the San Joaquin Hatchery to supply Lake Tahoe with the fish necessary for the test. The ponds should be ready for use in October.

The department notes that the lake once supported very large populations of native game fish, mostly Lahontan cutthroat trout and mountain whitefish. In older times the trout supported an important commercial fishery. The trout and whitefish have disappeared from Lake Tahoe. No one as yet knows why.

Over the years, various species of native and introduced trout have been planted in the lake and its tributaries.
